Supplementary Briefing Notes on Antarctica for The Commander,
U.S. Naval Support Force, Antarctica

To prepare brief intelligence judgments on three specific topics: Strategic and military value of Antarctica within the restrictive scope of the Antarctic Treaty, U.S. gains (vis-a-vis the USSR) from current Antarctic operations, and U.S. benefits from a close association with the USSR. These notes will supplement the paper Current Trends in Soviet Antarctic Interests and Activities, CIA/RR OS 64-22. An advance copy of this paper will be supplied with these notes.

Captain Price Lewis for Admiral J. R. Reedy, USN.

OMSD/SI and ESB/OSD/SI/DDS&T.
